Felicia Bond

The night before Easter
Mouose decorates some eggs.

When he wakes up on Easter morning, he finds a **yellow** egg under his covers.

Who put these **red** eggs on
the counter?

Mouse spies a few **blue** eggs
under the rocking chair

... and four **orange** eggs
on the sofa

Who balanced all these **purple** eggs
on the table?

Mouse loves the **green** eggs
he finds on the desk.

He looks around. Who's hiding
all these eggs?

It's Bunny!

Happy Easter,
Mouse!
